

By clicking on the "Accept" button below, the Customer accepts and confirms as follows:

By adding an "other bank account" ("other bank account") as a Payment Instrument, all Payment Transactions through such account will be facilitated *via* the "JustPay Facility".

Accordingly, the Customer consents and authorizes debiting the value of such Payment Transactions and related charges (if any), from the other bank account.

The Customer is responsible for providing accurate and genuine information relating to the other bank account and related Payment Transaction.

Transaction history of payments made from the other bank account will not be reflected in the FriMi App nor in any periodic balance statements issued by FriMi.

Payment Transactions through the other bank account will also be governed by the FriMi Customer Terms and Conditions.

Unless otherwise defined, capitalized terms used herein will have the same meanings ascribed in the FriMi Terms and Conditions already accepted by the Customer.

These terms and conditions must be read together with the provisions of the FriMi Terms and Conditions.
